2018 Summer Art Programs

Sykesville Pottery & Art Center's 2018 Summer Art Programs are patterned after "Art Destinations," a program founded by Abigail Dion through the Montgomery County Department of Recreation about 20 years ago. And, Ms. Abby will be running each session herself this year! We have always had a packed program and fabulous feedback from all the kids. Many children—boys and girls alike—come for 2, 3, 4, or even more sessions, year after year. Our program is designed for kids 7 to 14 years old to really challenge their creativity by providing them with access to lots of materials and supplies and to allow them to create at their own pace, with only limited instruction or targeted direction. There are few set projects—just lots of ideas and materials for the kids to work with.
