# 2021 Summer Art Programs

Sykesville Pottery & Art Center's 2021 Summer Art Programs are patterned after "Art Destinations," a successful program founded by Abigail Dion over 25 years ago in Montgomery County. We consistently have a packed program and fabulous feedback from all the kids that have participated over the years. Many children—boys and girls alike—come for 2, 3, 4, or even more sessions, year after year. Our program is designed for kids 7 to 15 years old to really challenge their creativity by providing them with access to lots of materials and supplies and to allow them to create at their own pace, with only limited instruction or targeted direction. There are few fixed projects—just lots of ideas and materials for the kids to work with.
